To Whom it May Concern:

All Phase General Contractors, Inc. was our General Contractor on our project for Eaton Marketing. The project began in April of 2020 and completed, on time, by December of 2020. The contract amount was \$1.8 million. This work consisted of an interior remodel to include a working test kitchen, office space and warehouse space.

If we were ever to do any additional construction work in the Tampa Bay Area, we would contract All Phase General Contractors again, without hesitation. They collaborated with us from day one to give us exactly what we wanted and needed. Our space is a unique space and All Phase rose to the challenge. This was a complete remodel beginning with an empty warehouse space. All Phase was very flexible and accommodating throughout the entire process.

We are so pleased our new facility. Everyone that comes into our building compliments the craftsmanship and design. We recommend All Phase General Contractors and hope we get the opportunity to do work with them again in the future.

Sincerely,
